Vice Chancellor's Message

At NALSAR, we firmly believe in the ability and the motivation levels of young inquisitive minds to acquire knowledge and capabilities that can potentially transform them into 'Level-5 Leaders'.

Through the Department of Management Studies, NALSAR has been striving to build innovative, skillful, ethical, legally aware and socially responsible business leaders. It is our mission to develop such future leaders through our supportive and conducive learning environment.

Wishing the Best
Prof. Faizan Mustafa
Vice Chancellor

NALSAR'S Management program aims to develop industry leaders who are aware of nuances such as humility, capability, and capacity, all of which are important for the future of a country on the rise economically. Cross-disciplinary learning from other disciplines such as law, humanities, and social sciences complements management courses. These courses are taught by faculty from top universities over a five-year period, and the program also includes internships where students may put what they've learned into practical application.

Warm Regards
Prof V Balakista Reddy

Registrar's Message

Head of Department's Message

The course structure and pedagogy is designed to offer sound knowledge fundamentals and also avenues to practically explore contextualized application. Also, the students stay connected to the external environment through a series of Industry-academia interfaces that includes internships, live projects in corporate & social sectors and dedicated sessions with corporate and thought leaders from various walks of life. As we welcome more and more industry partners each passing year, we look forward to our young achievers to be the torch-bearers of NALSAR and to nurture these partnerships.

Prof. Pinaki N. Pattnaik
Head, DoMS

It is indeed a great pleasure having all our MBA 2nd year students placed well before the scheduled time. Our students have always been a priority choice for recruiters as we at DoMS, NALSAR emphasize on a blend of academic rigour and industry connect readiness. The Placement Cell has worked in beautiful synchrony with the students and harmony with the recruiters to bring forth the best in all three stakeholders in the placement process. I wish our students all success in their career.

I Remain,
Prof Asish Panda
