NALSAR University of Law

Message from our Leaders

At NALSAR, we firmly believe in young inquisitive minds' ability and motivation levels to acquire knowledge and capabilities that can potentially transform them into 'Level-5 Leaders'. Through the Department of Management Studies, NALSAR has been striving to build innovative, skillful, ethical, legally aware and socially responsible business leaders. It is our mission to develop such future leaders through our supportive and conducive learning environment.

-Professor (Dr) Srikrishna Deva Rao, Vice-Chancellor

The Management program at NALSAR University of Law aims to equip students with the knowledge and skills necessary to become industry leaders with humility, capability, and capacity. These qualities are essential for the economic growth of a country on the rise. The department offers interdisciplinary courses in law, humanities, social sciences, and management taught by esteemed faculty. The program offers crossdisciplinary learning opportunities from the law, humanities, and social sciences, complementing management courses. The department offers these courses, taught by eminent faculty members, along with internships that allow students to gain practical experience in applying theoretical concepts.

Prof. (Dr) K.Vidyullatha Reddy, Registrar

From the Placement Officers desk

We are excited to share that our first-year MBA students have been successfully placed well in advance of their scheduled time! This accomplishment is a testament to the academic rigor and industry readiness that we instill in our students here at DoMS, NALSAR. Our students have consistently been a top choice for recruiters, and we take pride in the fact that they are highly sought-after in the industry. We believe that a combination of academic excellence and practical industry exposure is the key to producing highly competent professionals. The Training and Placement Advisory Cell has worked tirelessly to ensure that our students are well-prepared for their careers and have access to the best opportunities available in the industry. We have established a wonderful harmony between our students, recruiters, and placement team, which has resulted in great success for all three parties in the placement process. We extend our congratulations to our students on their successful placements and wish them the best of luck in their careers. We are confident that they will make significant contributions to the organizations they join and excel in their respective fields.
