Provisionally Selected Candidates List- III

(declared on 18th Aug, 2026)

Nalsar IPM Batch 2026–31

Based on the published merit rank list and the approved seat matrix, the following candidates — from among those who expressed interest — are offered provisional admission in the provisional list-3 . This offer of admission is provisional and shall stand confirmed only upon successful verification of original certificates and payment of the prescribed fees, both of which are mandatory conditions for confirmation of admission. Every candidate must satisfy all of the following eligibility criteria:

- (a) successful completion of Class 12, or an equivalent qualification, from a board recognized by the appropriate authority; and
- (b) a minimum aggregate of 60% marks (50% for candidates belonging to the SC/ST category) in Class 12, or the equivalent CGPA.

Candidates offered admission under any reserved category must submit a valid certificate, issued by a competent Government authority, in support of their claim to that category. This certificate must be dated on or after 1st April 2026. Failure to submit such a certificate will result in automatic cancellation of the provisional admission offered to the candidate, without any further notice.

Candidates who have been provisionally selected for admission will receive further instructions at their registered email address and are required to act on those instructions within the timelines specified therein. Candidates placed on the waiting list will be notified of any movement in the waiting list solely through their registered email address. Such candidates are advised to check their registered email account regularly, as no separate communication will be sent through any other mode.

For any queries or clarifications regarding the above, candidates may write to ipmadmissions@nalsar.ac.in.

List of Provisionally selected candidates- List 4

Application Number	Category Allocated
IPM/2026/1543	AIR General
IPM/2026/1202	AIR General
IPM/2026/2149	AIR General
IPM/2026/2003	AIR General
